Rzeszów
11.09.1993

■ Education

- 04/2016 – 07/2017** **University of Information Technology and Management in Rzeszów**
Master of Science
Faculty: Computer Science
Specialization: Software Production Engineering
- 10/2012 – 03/2016** **University of Information Technology and Management in Rzeszów**
Bachelor of Engineering
Faculty: Computer Science
Specialization: Programming

■ Work experience

- 12/2015 – current** **PGS Software S.A.**
Android Software Developer
I was responsible for developing completely new applications and also for maintaining and improving already created applications. I was working with other Android developers, but I have also worked on some of the projects alone. We were working mostly in a Scrum Agile process. I was also contacting with the clients, gathering requirements and preparing estimations.
- 10/2015 – 12/2015** **PGS Software S.A.**
Intern
I was working on internal project with the team in a Scrum Agile process with one-week iterations delivering new features and working software at each iteration. The team consisted of backend developers and mobile developers (windows phone, android). I was working on Android app.
- 01/2014 – 09/2015** **Freelancing**
Writing applications for independent clients and working on own projects

I hereby give consent for my personal data included in my application to be processed for the purposes of the recruitment process under the Personal Data Protection Act as of 29 August 1997, consolidated text: Journal of Laws 2016, item 922 as amended.
